Clinerion expands across the Americas: 60 million patients added in the USA via partnership with Provisio Inc.

We have expanded our global footprint to include over 60 million patients in the USA, via a strategic partnership with Provisio Inc. This has been a major milestone for our services for clinical trial patient search and identification, and data generation for real-world evidence and market access activities. Now we can act on a truly global scale!

Read more about our North American expansion >

We are thrilled that some news outlets have been exploring the deeper context and potential of what we're doing:

Outsourcing Pharma interviewed Clinerion CEO Ulf Claesson on Clinerion's expanded coverage:

Clinerion expands coverage by 60m patients via strategic partnership. (Outsourcing Pharma)
Publication date: October 30, 2017

Clinerion Team News

The Clinerion organization is continuing to grow. In October, we were delighted to welcome another new member of our team. Welcome, Samia!

Samia Hakmi

Junior Software Developer, Frontend, in the Basel Office.

We're still on the look-out for another open position:

Job opening: Solution Sales Specialist, Clinical Research

To strengthen our existing Sales team in Basel we are currently hiring a Solution Sales Specialist, Clinical Research. The role will be instrumental in driving the continued roll-out of Clinerion's PRS to hospitals and sponsors worldwide. The Solution Sales Specialist, Clinical Research will create business opportunities, with a focus on Contract Research Organizations (CROs), hospitals, integrated healthcare delivery networks and pharmaceutical companies.
